SCHEDULE OF
SUMMER CLASSES
For Students
Presently Enrolled in Grades 9 - 12
ELIGIBILITY

The summer school program provides a strong academic focus for students who have not made the expected progress towards meeting academic standards. The program is designed and funded for the purpose of preparing all students to meet academic standards and graduation requirements. Space is limited. Classes are for credit recovery, 21st Century Learning Institute and graduation fulfillment; summer school programs are open to those students who are in one of the following categories.

1. CYBER HIGH CREDIT RECOVERY - Hayward Unified School District students in grades 10 & 11 who have failed a course are eligible.
   a. Students may not use summer school to accelerate graduation.
   b. Students may not use summer school to accelerate the completion of regular courses (e.g., to complete U.S. History the summer prior to their sophomore or junior year).
   c. Cyber High is a self-paced program. However, students may earn up to 5 units of credits for each course students are registered. Cyber High will meet for four hours of class time per day for 26 days.

2. GRADUATION FULFILLMENT - A Hayward Unified School District high school senior who will not graduate because of credit deficiency ranging from 2.5 to 10 units for graduation and who is recommended by the high school principal or counselor is eligible.

3. 21ST CENTURY LEARNING INSTITUTE - A Hayward Unified School District high school student who is interested in hands-on project-based learning activities for summer enrichment. The program offers the following:
   a. Service Learning
   b. Question Bridge
   c. Spoken Word/Visual Arts
   d. Intel Science Stem Project
