The Language standards listed in the table below are intended to be reinforced in the writing unit so that the Language standards are taught in the context of student writing, and not in isolation. Additionally, the standards provide a focus for what students will be held accountable in their writing for purposes of editing their work at the end of any given unit.

Skills marked with an asterisk (*) in Language standards 1-3, are particularly likely to require continued attention in higher grades as they are applied to increasingly sophisticated writing and speaking.
Please note that not all the Common Core Language Standards have been assigned to the Language Scope and Sequence, but will need to be reinforced orally in conversation, during shared, interactive, guided writing activities, and weekly grammar activities.

The underlined standards below will need “additional support” because they aren’t given enough attention in Treasures or Tesoros.

1. Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.
   d. Form and use regular and irregular plural nouns.
   e. Use abstract nouns (e.g., *childhood*).
