The Language standards listed in the table below are intended to be reinforced within the writing unit so that the Language standards are taught in the context of student writing, and not in isolation. Additionally, the standards provide a focus for what students will be held accountable in their writing for purposes of editing their work at the end of any given unit.

Fourth Grade
Language Scope and Sequence

Please note that not all the Common Core Language Standards have been assigned to the Language Scope and Sequence, but will need to be reinforced orally in conversation, through shared, interactive, or guided writing and daily grammar activities.

The standards below will need “additional support” because they aren’t given enough attention in Treasures or Tesoros.

1. Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.
   b. Use interrogative, relative pronouns (who, whose, whom, which, that) and relative adverbs (where, when, why).
   c. Form and use the progressive (e.g., I was walking; I am walking; I will be walking) verb tenses.
   d. Use modal auxiliaries (e.g., can, may, must) to convey various conditions.
   e. Order adjectives within sentences according to conventional patterns (e.g., a small red bag rather than a red small bag)

Skills marked with an asterisk (*) in Language standards 1-3, are particularly likely to require continued attention in higher grades as they are applied to increasingly sophisticated writing and speaking.
