Common Core Language Standards
Scope and Sequence

The Language standards listed in the table below are intended to be reinforced within the writing unit so the Language Standards are taught in the context of student writing, and not in isolation. Additionally, the standards provide a focus for what students will be held accountable in their writing for purposes of editing their work at the end of a given unit.

Common Core Language Standards
Scope and Sequence

Please note that not all the Common Core Language Standards have been assigned to the Language Scope and Sequence, but will need to be reinforced orally in conversation, during shared, interactive, guided writing activities, or weekly grammar activities.

The standards below will need “additional support” because they aren’t given enough attention in Treasures or Tesoros.

1. Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.
   c. Form regular plural nouns orally by adding /s/ or /es/ (e.g. dog, dogs; wish, wishes).
   d. Understand and use question words (interrogatives) (e.g., who, what, where, when, why, how).
   e. Use the most frequently occurring prepositions (e.g., to, from, in, out, on, off, for, of, by, with)
